I hope that you will be able to participate in the annual Ken Maddy Institute fundraiser at the California Museum, 1020 O Street in Sacramento on Monday, April 3rd from 5:30 to 7:30 pm to benefit their Capitol internship program.

This is a unique and great opportunity to mingle with some of California's top political leaders - past, present and future. Governor Jerry Brown and the State's Legislative Leaders will be there too. Former Speaker Willie Brown will MC the event, and I can assure you that any program with Jerry and Willie is going to be a fun night to remember.

In addition, this year, we will also be honoring the 35th anniversary of the State Assembly Class of 1982. Among those coming are: Rusty Areias, Chuck Bader, Bruce Bronzan, Judge Lloyd Connelly Jr., Frank Hill, Bill Jones, Sunny Mojonnier, Jack O'Connell and many others. You will get a rare taste of the Maddy days in the Capitol when friendships were keen and there was considerable pride in our accomplishments.

The Maddy Institute was created for the express purpose of training young people in the Maddy tradition of civil discourse, bipartisan cooperation and legislative achievement. Ken believed in California as the Golden State, and his goal was to make the motto on the State Treasurer's Building across from the Capitol a reality - "Bring me men to match my mountains."

The all-star guest list is testimony to the high regard everyone had for Ken Maddy. It is critically important to keep Ken's ideals alive with young and energetic people that will contribute to keeping California golden. I think you will appreciate that all of the money raised will be used to fund our Bob Beverly Legislative Intern Scholarship program that provides college students the opportunity to work at the State Capitol. Bob was another treasured legislator from that remarkable era in Sacramento

Individual tickets are $250 per person, but I hope you consider not only attending the event, but being one of our major sponsors. The sponsor levels include having your name printed in the program:

* Gold Sponsor ($2,500): 10 tickets
* Silver Sponsor ($1,00): 4 tickets
* Bronze Sponsor ($500): 2 ticket

Thanks for considering this request...and I hope to see you there. If you can't make it personally to the event, please consider contributing so the vital work of the Maddy Institute can continue. Contributions are tax deductible. It has been an honor for me to serve on the Maddy Institute Board of Directors since Ken founded it after retiring from the Legislature, and I am committed to fulfilling Ken's dream of sending the best young people to our State Capitol.

Best Regards,

Sal
